

Curriculum vitae

Personal data

Name: Edit Horváth

Birth: 1985

Current position: Junior research fellow, University of Szeged, Department of Plant Biology

Education

2004 - 2009 University of Szeged, Biologist, M.Sc.

2010 - 2013 University of Szeged, Ph.D. School in Biology (2015, Ph.D. degree)

Work experience

2010-2013 University of Szeged, Department of Plant Biology, Ph.D. student

2013.09. - 2015.09. University of Szeged, Department of Plant Biology, technical assistant

2015.10. - University of Szeged, Department of Plant Biology, junior research fellow

Research grants (last ten years)

HUSRB/1002/214/036 Characterization and oxidative stress tolerance in plants: from models to trees (OXIT).
Project coordinator: Prof. Erdei László (2012-2014)

OTKA K 105956 Redox homeostasis under salt and osmotic stress. Project coordinator: Mainé Dr.
Csiszár Jolán (2012-2016)

HUSRB/1203/221/173 Joint development of higher education and training programmes in plant biology in
support of knowledge-based society (PLANTTRAIN). Project coordinator: Dr. Tari Irma (2015-2016)

Honors

2009 National Conference of Scientific Students' Associations, II. place

2013 Sófi József Foundation for Talents of Szeged, Biology Student Scholarship, Biology PhD
Programme, II. place

2013 TÁMOP 4.2.4. A/2-11-1-2012-0001, National Excellence Program, Apáczai Csere János PhD
Scholarship, Excellent grade

2015 Scientia Amabilis Foundation for Hungarian Plant Physiology, Research scholarship

Scientific results (last ten years)

Number of publications: 14

Number of citations (independent/self): 176/219

Cumulated impact factor: 23.77
